## REVIEW OF GUIDED READING 18 1

- I FIRST READ THIS BOOK IN 1984, AND HAVE READ THE WHOLE SERIES SINCE THEN. I NOT ONLY READ THEM ONCE, I HAVE READ THEM AT LEAST TWO TIMES A YEAR FOR THE LAST SIX YEARS. THEY ARE THE BEST I HAVE EVER READ.

- I have found this book to be very helpful because it has what many Chinese dictionaries do not have: a breakdown of every Chinese character into its "zhuyin" form. Most dictionaries limit their pronunciations to just the "pinyin." However, in order to pronounce the words as accurate as possible, it is best to use the "zhuyin" form. Knowing the "zhuyin" form will also help if you ever need to look up a word in a Chinese dictionary according to its pronunciation. Every word in this book is alphabetized by its "pinyin," but it lists each word's Chinese character first, then the "pinyin," and then its "zhuyin." One minor thing about the book is how it lists the simplified characters. In most cases it provides the traditional form, but I would prefer it list the traditional characters first. The print is not too small and easy to read. If you need to look up the definition of a Chinese word, then this is a great resource for looking it up using English letters.
