### REVIEW OF OPERATING SYSTEM WILLIAM STALLINGS 6TH EDITION

- \*This book is about a house cat named Rusty. He has always dreamed of becoming something grand and heroic. His adventure

begins! Rusty takes off into the wild, (hence the name), leaving his warm house life behind. Rusty meets more wild cats living in clans and joins Thunderclan. The local everyday orange housecat becomes Fireheart, a strong loyal wild cat! Fireheart's story is one of courage, friendship, loyalty and beliefs. Don't miss the next few books in this magnificent series. I love this book (and all the others) so much, it really makes me think differently about my two cats! This novel makes you wonder about how the cats' mind really does work...By: Ariah Colt, B.C. Canadap.s:I LOVE WARRIORS (and my dog Finni!) \*

- The Warriors books are the best!!!! The first book is my favorite, but the others are just as good. The best part about

these books are there's always something exciting happening. Well, it all starts out with a kittypet named Rusty, the one day he is tempted to go into the forest and does. Then he meets a couple of wild cats and they want him to join their clan(Thunderclan). Then he becomes an apprentice and trains to become a Warrior. This book is exciting because my favorite animal are cats and when I was reading this book I couldn't keep my eyes off of it. It can also be sad, but I can't tell you why because you need to read the book. I have read book... #1 Into The Wild, #2 Fire And Ice, #3 Forest Of Secrets, and right now I'm reading book #4 Rising Storm. I love reading these books and I hope you enjoy reading them yourself!!! I LOVE ERIN HUNTER!!!!!!!!!!!!!!
