to read following and can reveal you to brand-new authors and categories you might not have considered in the past.

#### **REVIEW OF MATHS GRADE 12 PAPER**

- The second of Alcott's "darker" novels that I have read. This was not nearly as dark as "A Long Fatal Love Chase". A much shorter book the characters are still very well drawn, the plot is a little less complex but not in anyway that detracts from enjoying the book. I am definately finding myself preferring this side of her pen. Edith Adelon is an Italian orphan that has been taken in by a noble English family as the companion for the daughter. Her goodness and purity attract all except the haughty cousin of the family, Lady Ida--who is jealous of Edith's beauty and talents and the love that she inspires in those around her. Lord Percy is a friend of the family and is attracted to all things good and kind--he himself being an exemplary figure of kindness (sacrificing the love he felt for a woman so his younger brother could marry her). Everything comes to a head in one very dramatic scene and is very interestingly played out. It sort of made me think of Cinderella in a way. A quick but enjoyable read.

- Several facts on this subject need to be mentioned.1. In late 1864 a large Union cavalry raid of several thousand men, from Baton Rouge, La., to Pascagoula, Ms., made it as far as New Augusta and the Lucedale, Mississippi areas, right through the very heart of the Pineywoods region and the very boarders of Jones County. No mention in the war records of this expedition mentions ANY pro-union support from the people of that area. No mention of the "Free State of Jones", no mention of Newt Knight or his company of pro-union irregulars. Even Newt Knights own history, written by his son, does not mention any contact with this very large and noticable force or of its existance so close to their base of operations. The Union expedition was turned back in a skirmish with Confederate forces just south of Lucedale and forced to retreat to the coast.2. After the war during reconstruction the Federal Government setup commissions to document and determine damages to pro-union Southerners committed by Union forces. According to the commission records the Pineywoods section of the state had some of the fewest claims on record. To win a claim against the Federal Government a person had to prove loyalty to the Union; and prove damages officially by Union forces. The records state that...Jasper County- 2 filed claimants Jones County- 1 filed claimant Greene County- 1 filed claimant Simpson County- 1 filed claimant Smith County- 1 filed claimant Wayne County- 2 filed claimants Perry County- 0 Covington County- 0 The Warren County, not a Pineywoods county on the Mississippi River, had over 350 claims on record. If the Pineywoods counties were pro-union there should have been more claims from here since several well known Union Raids crossed right through this area, i.e. Grierson's Raid, which survived by taking from the locals food, fodder and materials, plus any valuables they could find for the taking.3. The 1860 Election Returns for the Pineywoods section is up sidedown from the popular history presented. Jasper County- 361 Bell, 712 Breckinridge, 18 Douglas Jones County- 96 Bell, 264 Breckinridge, 0 Douglas Greene County- 45 Bell, 250 Breckinridge, 0 Douglas Simpson County- 136 Bell, 370 Breckinridge, 3 Douglas Smith County- 234 Bell, 517 Breckinridge, 5 Douglas Wayne County- 110 Bell, 180 Breckinridge, 0 Douglas Perry County- 105 Bell, 201 Breckinridge, 6 Douglas Covington County, 106 Bell, 391 Breckinridge, 8 Douglas Bell was the Union Party candidate, Breckinridge was secessionist candidate. If Jones County was pro-union then this fact should certainly would be reflected in the votes for president. Bell won in several counties along the Mississippi River where the population of slaves and the size of plantations was GREATEST, and where secession would do most harm. Breckinridge, the secessionist candidate, won in primarily non-slave owning counties. The fact that Jones County was against secession is put into doubt when the official records show different. When reading the history of the "Free State of Jones" one should be aware there is no official documentation to support most of the stories presented in any of them.
