REVIEW OF BAILEY AND LOVE SHORT PRACTICE OF SURGERY 26E 26TH ED

- I ordered the audio tapes and enjoyed them tremendously! I have always been curious about how Ayla would be accepted when they got to Jandalar's home, now I know. I look forward to the next book in the series.
- After waiting 12 years for the next book in the series, I eagerly started plowing through it. Jean Auel is an excellent researcher, and I am very interested in what life was/may have been like for our ur-ancestors. But she is no novelist! The love scenes, introductions, relationships, pop-psychology, what a pot-boiler! This book should have been 1/2 the length. So much happened in the first few days of their return, that it took her 1/2 the 741 pages to tell and retell it. Disappointing, but then, all of the books have been since "The Clan of the Cave Bear." She just runs out of steam.
