REVIEW OF ART AND PRACTICE OF GEOMANCY THE DIVINATION MAGIC AND EARTH WISDOM OF THE RENAISSANCE

- I liked The Giver a lot. It was boring at first because nothing was happening but as the book went on it was much more interesting. I like this book because it is really detailed and you can really tell how it's like to have everything the same. Some parts were really confusing for me but they made more sense after reading a lot more of the book. This book really made me think it was a great book to read with my cousin, we had a lot of fun. In one way it is good to have a life like Jonas but you wouldn't be living real life. The Giver was a great book. I really liked how it was open ended for us to make our own story. The Giver was a great book to let kids express their opinions.

- I like this book {The Giver} because it's like a whole new world in our mind that we just don't know where it is. My favorite character is Jonas because he is the star of the book is Jonas. Jonas is a smart young man that always likes coming up with ideas because he is very smart. I like Jonas because he's so smart and I think that's why he gets to be the receiver of memory. I can relate to Jonas because in the book Jonas is turning twelve and my birthday is coming up as I turn twelve. My second part is in the book I like how Lois Lowry is open ended I like how at the end of the book she leaves it blank, I think that's cool. And Jonas has a sister and I have a sister so that's cool too. I also like The Giver because he is the most wise man in all of the very good books.
