## **REVIEW OF ORGANIZATIONAL BEHAVIOUR STEPHEN ROBBINS 12TH EDITION**

- John Steinbeck won a Pulitzer Prize in 1939 and the Nobel Prize in 1962. This wonderful writer died in 1968. I am so glad he won coveted awards before his death. He set a high standard for authors who came after him. I think we need men like Mr. Steinbeck who teach us that reading can be fun. His prose, characters and messages created stories that I believe we can all relate to in one

way or another. I think readers can re-read his stories over and over and find something new in them every time. John Steinbeck was a famous author and rightfully so. Jeannie Walker - Award Winning Author of "I Saw the Light"

- This book was terrible, it was an exploitation of his brother, and a shameless way to promote his other books. No matter the situation, the author found a way to make a reference to another book he had wrote. It was poorly written, and jumps around quite a bit. Don't waste your time or money on this book, or any book of this author's.
