## REVIEW OF PROBLEME REZOLVATE SUBPROGRAME INFORMATICA

- Bible story books that exactly match one's theology are hard to come by. Nonetheless, this book is worthy of being added to one's collection based on the artwork alone. The way it is broken up allows for short, or long, story segments. A worthwhile purchase.
- We gave this Bible to our two and four year old boys for Christmas. I noticed many people commented on the small print. It is true that the small font in this version makes it difficult to use for read-aloud time, but it is perfect for little ones to bring with them to church. There is a larger size available for purchase for those parents who are reading it aloud to their children or who have children old enough to read independently.
