1801.-I have just returned from a visit to my landlord-the solitary neighbour that I shall be troubled with. This is certainly a beautiful country! In all England, I do not believe that I could have fixed on a situation so completely removed from the stir of society. A perfect misanthropist's heaven: and Mr. Heathcliff and I are such a suitable pair to divide the desolation between us. A capital fellow! He little imagined how my heart warmed toward him when I beheld his black eyes withdraw so suspiciously under their brows, as I rode up, and when his fingers sheltered themselves, with a jealous resolution, still further in his waistcoat, as I announced my name. 'Mr. Heathcliff?' I said. A nod was the answer. 'Mr. Lockwood, your new tenant, sir. I do myself the honour of calling as soon as possible after my arrival, to express the hope that I have not inconvenienced you by my perseverance in soliciting the occupation of Thrushcross Grange: I heard yesterday you had had some thoughts-' 'Thrushcross Grange is my own, sir,' he interrupted, wincing. 'I should not allow any one to inconvenience me, if I could hinder it-walk in!' The 'walk in' was uttered with closed teeth, and expressed the sentiment, 'Go to the Deuce: even the gate over which he leant manifested no sympathising movement to the words; and I think that circumstance determined me to accept the invitation: I felt interested in a man who seemed more exaggeratedly reserved than myself. When he saw my horse's breast fairly pushing the barrier, he did put out his hand to touch it, and then sullenly preceded me up the causeway, calling, as we entered the court, '-Joseph, take Mr. Lockwood's horse; and bring up some wi

## REVIEW OF ANSWERS TO WUTHERING HEIGHTS STUDY GUIDE

- I am a man and just finished reading this book which I found lying around the house somewhere. I was very skeptical and interested to see if a woman could actually portray a man's inner workings accurately. To my surprise she hit the nail right on the head! I even learned a thing or two about myself, mainly just the reasons of why some of the things women did irritated the living daylights out of me!! That being said I started reading some of the reviews on amazon and found most were positive and helpful. However when I started to read the negative one-star, two-star, or even the negative comments in 3 to 5 star reviews, I noticed a major simmularity. Here it is...the negative comments were people ranting on about the shortcomings of men or women in general. They became upset by what they read because what they were reading was true! They were dissapointed to find out how men really thought or acted (or what hurts him inside etc.) Look for yourself or take my word on these reviews, I literally laughed out loud at some of the things I was reading. Whatever your personal feelings about the way men actually are:DON'T TAKE IT OUT ON THE BOOK!!If you want to write a negative review, write it on the content of what is being said if you believe it to be false or untrue. Almost all of the negative reviews testify to the fact that what is said in this book is actually very accurate and true. Women who wrote these awful reviews even asked their husbands or men in their lives and got confirmation on the validity of things that were said in this book. To put it bluntly I am honestly shocked at the stupidity of people in these reviews. IF YOU CAN'T HANDLE THE TRUTH DON'T READ THIS BOOK. On a more positive note, if you want to find out the truth about men read this book. Use the information any way you want, they are just facts and great suggestions, and if you use these suggestions you will find that men will think you are one of the coolest women on earth and they will truly believe you understand and get them. Again a book review is not for your personal problems...most people just want to find out about the book. This info

is what every girl tells me she wants, if you want it, read it.

- Ladies, please read this book. Let me repeat that - PLEASE READ THIS BOOK!!! If you want to understand us, there is no better way to do it than to read this book. Shaunti hits the bullseye over and over. To those women who think that this book merely excuses mens' faults and shortcomings : you couldn't be more wrong. This book EXPLAINS us guys - it DOES NOT excuse our failings. If you don't believe that, you have a number of options: 1) become a lesbian, 2) try to find a guy who is an

'exception to the rule' (i.e. a needle in a haystack), in which case you'll probably find a 'girly-man', 3) pretend that we are not like this and have a less-than-you-could-have relationship. Lastly, such women shouldn't feel left out now that Shaunti and her husband have written a book 'excusing' the shortcomings and failings of the fairer sex (For Men Only). One last note : I would strongly suggest that guys listen to this one BEFORE listening to the companion book (For Men Only). It is enlightening to 'listen in' to women talking about us men - it enables you to see yourself through their eyes. I did this and it was really helpful when listening to For Men Only.
