REVIEW OF 8897846270 IIT4

- Mr. Barsness did some good research on this book. Having been to Alder Gulch and Virginia City, I enjoyed reading about that fascinating area. He has created a delightful read, very informative and very entertaining. I suggest reading it for delight and education.
- Wow, this book makes you realise how unbelievably wrong a single author can be, and pass it off as fact. She presents the argument that heavy metal and roleplaying games will cause teenagers to kill themselves, kill others, and worship the devil. It's sad that a person can believe this, and devote so much time to this. I'm sure when Gary Gygax sat down in 1970 to write Dungeons and

Dragons he said 'right, my ultimate goal here is to make teenagers worship satan Hahahahaha (maniacle laughter no doubt followed). Or Judas Priest said 'yes, if we make our fans kill themselves

then we'll have none left! ha! Brilliant!'An interesting book, but only when viewed from afar, as a study in how deluded some people can really be.
