REVIEW OF AMANTE RENACIDO J R WARD PDF

- This book has reawakened my weary faith! Being so busy (as satan wants) there was never enough time! This book has given me the desire for time with my lord with all my heart and soul!
- If you have Reiki or even if you don't - and just want to come up with a self healing practice - this book is really great. It goes over energy healing and moving Ki - before ever starting on another person. The breathing techniques alone have refined and empowered my Reiki. The Western tradition has lost something in the translation and this book has filled in some of the gaps.
