REVIEW OF THE INVOCATION OF HOOR

- Rand's mind fascinates me to know end, his thought are like a dark journey through the evil heart of true insanity. Mat is the epitomy of groovy. His actions make sense and lend a realistic interpretation of what I would do in these situations. Finally, the females, even

excluding my testosterone opinions, are strong and true with every human characteristic to make them attractive as interesting characters who can carry their own segments. This fanasmagoric series continues to snare me more and more with every new book

- this is one damn fine novel, need I say more!
