The Dictionary of National Biography Missing Persons Titan Books (US, CA)

Brittle with Relics is a landmark history of the people of Wales during a period of great national change. 'Richly humane, viscerally political, generously multi-voiced, Brittle with Relics is oral history at its revelatory best.' DAVID KYNASTON 'Fascinating.' OBSERVER 'Powerful.' LITERARY REVIEW 'Passionate.' HISTORY TODAY 'Compels attention.' IRISH TIMES 'Superb.' DAILY TELEGRAPH There is no present in Wales, And no future; There is only the past, Brittle with relics. - 'A Welsh Landscape', R. S. Thomas In the closing third of the twentieth century, Wales experienced the simultaneous effects of deindustrialisation, the subsequent loss of employment and community cohesion, and the struggle for its language and identity. These changes were largely forced upon the country, whose own voice, rarely agreed upon within its borders, had to fight to be heard outside of Wales. Brittle with Relics is a history of the people of Wales undergoing some of the country's most seismic and traumatic events: the disasters of Aberfan and Tryweryn; the rise of the Welsh language movement; the Miners' Strike and its aftermath; and the narrow vote in favour of partial devolution. Featuring the voices of Neil Kinnock, Rowan Williams, Leanne Wood, Gruff Rhys, Michael Sheen, Nicky Wire, Sian James, Welsh language activists, members of former mining communities and many more, this is a vital history of a nation determined to survive, while maintaining the hope that Wales will one day thrive on its own terms. 'A testament to the brutal circumstances that bonded the communities of Wales into a new polity for the 21st century.' GRUFF RHY'S 'This book is a guide to remembering who we can be when we work together.' GWENNO SAUNDERS 'An essential telling of Welshness that contains a powerful reflection of Englishness, too.' EMMA WARREN

"Navigantium Atque Itinerantium Bibliotheca"... to which is Prefixed a Copious Introduction, Comprehending the Rise and Progress of the Art of Navigation,... by John Harris,... Revised... and Continued Down to the Present Time [by J. Campbell]. Canelo

"A writer and literary critic's diary of the year 2020, beginning with the outbreak of the COVID-19 pandemic and spanning the protests for racial justice and the chaos of the U.S. presidential election"--

Brittle with Relics Faber & Faber

Gathers the naturalist and artist's journals, memoirs, and letters, as well as a selection of his well-known bird illustrations.

Trump, Biden, and the Battle for America's Future Bryan Thomas Molloy

A comprehensive history of the Georgians, comparing past views of these exciting, turbulent, and controversial times with our attitudes today. The Georgian era is often seen as a time of innovations. It saw the end of monarchical absolutism, global exploration and settlements overseas, the world's first industrial revolution, deep transformations in religion and cultural life, and Britain's role in the international trade in enslaved Africans. But how were these changes perceived by people at the time? And how do their viewpoints compare with attitudes today? In this wide-ranging history, Penelope J. Corfield explores every aspect of Georgian life—politics and empire, culture and society, love and violence, religion and science, industry and towns. People's responses at the time were often divided. Pessimists saw loss and decline, while optimists saw improvements and light. Out of such tensions came the Georgian culture of both experiment and resistance. Corfield emphasizes those elements of deep continuity that persisted even within major changes, and shows how new developments were challenged if their human consequences proved dire.

Landkarten Penguin

FOREWORD BY SIR DAVID JASON As Macbeth said to Hamlet in *Midsummer Night's Dream*, 'we've been done up like a couple of kippers - Del In this pukka 42-carat gold-plated bargain, you have the wit and wisdom of Del Boy, Rodney, Albert, Boycie and Trigger at your disposal. Packed with all the funniest and most memorable lines from the classic British sit-com as it turns 40, this quote book is the crème de la menthe. Never be caught short again. Let's face it Del, most of your phrases come out of a Citroen manual - Rodney

The Artist and the Country House Penguin

The shocking, definitive account of the 2020 election and the first year of the Biden presidency by two New York Times reporters, exposing the deep fissures within both parties as the country approaches a political breaking point. This is the authoritative account of an eighteen-month crisis in American democracy that will be seared into the country's political memory for decades to come. With stunning, in-the-room detail, New York Times reporters Jonathan Martin and Alexander Burns show how both our political parties confronted a series of national traumas, including the coronavirus pandemic, the January 6 attack on the Capitol, and the political brinksmanship of President Biden's first year in the White House. From Donald Trump's assault on the 2020 election and his ongoing campaign of vengeance against his fellow Republicans, to the behind-the-scenes story of Biden's selection of Kamala Harris as his running mate and his bitter struggles to unite the Democratic Party, this book exposes the degree to which the two-party system has been strained to the point of disintegration. More than at any time in recent history, the long-established traditions and institutions of American politics are under siege as a set of aging political leaders struggle to hold together a changing country. Martin and Burns break news on most every page, drawing on hundreds of interviews and never-before-seen documents and recordings from the highest levels of government. The book asks the vitally important (and disturbing) question: can American

democracy, as we know it, ever work again?

Yale University Press

Christianity and Social Justice is everything Christians need to understand and answer the social justice movement in one book. From its history, secular manifestations, and Christian variations, Jon Harris thoroughly describes the movement, shows how it threatens orthodoxy, and offers powerful responses.

The Truman Show Knopf

In *Other Art*, his second collection of stories, John Harris dissects with surgical precision the mall-fied life that is small-town North America on the eve of the millennium, sparing no one, least of all John, the middle-aged, divorced, absent father and dutiful son still fighting domestication while daily charting his ranking on the college seniority list. Unusual twists and sharp satire engage the reader in a world where nothing ever really happens, but it's happening so fast you need a guide like Harris to point the way.

Light Cavalry Action Penguin

Excerpt from *Record of the Harris Family Descended From John Harris, Born in 1680 in Wiltshire, England IN 1898*, when I did not know that I should ever have the leisure requisite to put into shape the genealogical material that has been accumulating in my hands during the last thirty years, I printed some notes on the ancestry of my children, thinking that they would at least furnish a clue to anyone who might hereafter become interested in the subject of the history of any of the families whose career is therein sketched, and might desire to make it the subject of a further study. The leisure which I then lacked has since come to me, and has enabled me to prepare a more complete account than is contained in the earlier book, of that branch of the Harris family which is descended from John Harris, born about 1680, in Wiltshire, England, through his two sons, John and Thomas, born, respectively, in 1717 and 1722. No record such as this can justly claim completeness or perfect accuracy. In the course of two hundred years some branches of a family stray away beyond recognition, and there are other branches, the members of which, who, though known, do not sympathize with the undertaking of making a family record, and will not, therefore, contribute their quota of information. And in many cases no accurate records have been kept, and the several accounts obtainable do not entirely harmonize. I have been most fortunate in finding many members of the family who have each been willing to take great pains to furnish full information as to that portion of the record which specially concerns each of them, and to the labors of these persons it is largely due that it has been possible to make so much of a history of the family as is contained in the following pages. The record is fairly complete down to the generation of the great - great grandchildren of the John Harris above named, which generation is called in the following

pages the nineteenth; and as many persons of this generation are still living there should be no difficulty in each branch of the family carrying on for itself the record if it shall so desire. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. Uncovering the Hidden Heroes Who Fought for Justice in Schools HarperCollins

The official art book for the new Netflix/Intrepid Pictures horror TV series *Midnight Mass*, from creator Mike Flanagan. A small town on an island experiences miraculous events – and frightening omens – after the arrival of a charismatic, mysterious young priest. The cast includes Kate Siegel, Henry Thomas, Zach Gilford, and Hamish Linklater. *Midnight Mass: The Art of Horror* is a large hardback illustrated book featuring visual and written materials covering all elements of Intrepid Pictures' *Midnight Mass* limited series - debuting on Netflix in Fall 2021. This book is the perfect gift for any horror fan and will contain a slew of behind-the-scenes and background material, such as production art and set photos throughout. Readers will gain an insightful understanding of how the show was made with interviews of the cast, crew, executive producer Trevor Macy and Mike Flanagan himself. Mike Flanagan and Trevor Macy are the minds behind *The Haunting of Hill House*, a successful horror TV series on Netflix. Their most recent film, *Doctor Sleep*, was the critically-acclaimed sequel to Stephen King's *The Shining*.

Simple Exercises and Rituals for Toned, Glowing Skin Titan Books (US, CA)

The forces of conservation and development clash amidst family in Virginia's Crutchfield County where foxhunting traditions govern the pace and rhythms of rural life.

My Life in Football and Business Penguin

A Publishers Weekly Best Book of 2018 “An important contribution to our understanding of how ordinary people found the strength to fight for equality for schoolchildren and their teachers.” —Wall Street Journal In the epic tradition of *Eyes on the Prize* and with the cultural significance of John Lewis's *March* trilogy, an ambitious and harrowing account of the devoted black educators who battled southern school segregation and inequality For two years an aging Dr. Horace Tate—a former teacher, principal, and state senator—told Emory University professor Vanessa Siddle Walker about his clandestine travels on unpaved roads under the cover of night, meeting with other educators and with Dr. King, Georgia politicians, and even U.S. presidents. Sometimes he and Walker spoke by phone, sometimes in his office, sometimes in his home; always Tate shared fascinating stories of the times leading up to and following *Brown v. Board of Education*. Dramatically, on his deathbed, he asked Walker to return to his office in Atlanta, in a building that was once the headquarters of another kind of southern strategy, one driven by integrity and equality. Just days after Dr. Tate's passing in 2002, Walker honored his wish. Up a dusty, rickety staircase, locked in a concealed attic, she found the collection: a massive archive documenting the underground actors and covert strategies behind the most significant era of the fight for educational justice. Thus began Walker's sixteen-year project to uncover the network of educators behind countless battles—in courtrooms, schools, and communities—for the education of black children. Until now, the courageous story of how black Americans in the South won so much and subsequently fell so far has been incomplete. *The Lost Education of Horace Tate* is a monumental work that offers fresh insight into the southern struggle for human rights, revealing little-known accounts of leaders such as W.E.B. Du Bois and James Weldon Johnson, as well as hidden provocateurs like Horace Tate.

EXPERIENCE THE POWER OF FASCINATING NARRATION OF THE ART OF JOHN HARRIS

Discover the Villages, Pubs and Churches Behind the Hit TV Series Chronicle Books

In order to understand why so many evangelicals recently support left-leaning political causes, it is important to know a little history. In the 1970s, many campus radicals raised in Christian homes brought neo-Marxist ideas from college back to church with them. At first, figures like Jim Wallis, Ron Sider, and Richard Mouw made great gains for their progressive evangelical cause. But, after the defeat of Jimmy Carter, the religious right stole the headlines. Today, a new crop of mainstream evangelicals has taken up the cause of the New Left whether they know it or not. As pro-life evangelicals rush to support movements like #BlackLivesMatter and #MeToo, it is important to realize they are walking in footprints already laid down. Their mission may be more successful, but it is not new. To understand where the evangelical social justice movement is heading, it is vital to understand the origins of the movement. Social Justice Goes to Church: The New Left in Modern American Evangelicalism answers, from a historical perspective, the vital question, "Why are American evangelicals moving Left?"

LaserWriter II Forgotten Books

This book is a totally new concept in learning and improving calligraphy skills. It presents a new lettering challenge for each day of the year; 365 in all (plus a bonus for Leap Day), ranging from 'angular Italic' to 'turned Celtic.' These alphabets are the perfect program for beginners learning the art of beautiful writing. They also offer the best form of practice and improvement for experienced calligraphers. In addition to daily practice, a practical lettering project is presented for each week. There are 52 in all, ranging from wholly creative projects such as designing an award for a special person to such money-makers as lettering wedding invitations or greeting cards.

Midnight Mass: The Art of Horror Canelo

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Other Art Titan Books (US, CA)

From the incomparable New York Times and New Yorker illustrator Tamara Shopsin, a debut novel about a NYC printer repair technician who comes of age alongside the Apple computer—featuring original artistic designs by the author. LaserWriter II is a coming-of-age tale set in the legendary 90s indie NYC Mac repair shop TekServe—a voyage back in time to when the internet was new, when New York City was gritty, and when Apple made quirky computers for weirdos. Our guide is Claire, a 19-year-old who barely speaks to her bohemian co-workers, but knows when it's time to strap on an antistatic bracelet. Tamara Shopsin brings us a classically New York novel, an ode to the city that once was, that couldn't feel more timely. Interweaving the history of digital technology with a tale both touchingly human and delightfully technical, Shopsin brings an idiosyncratic cast of characters to life with a light touch, a sharp eye, and an unmistakable voice. Filled with pixelated philosophy and lots of printers, LaserWriter II is, at its heart, a parable about an apple.

Notes on a Long Year Random House

Eat Pretty meets 7 Minutes to Fit in this simple-to-follow guide to facial exercises and clean beauty techniques for healthy, radiant skin. Take your skin care to the next level with this guide to toning, sculpting, and strengthening your skin using simple, natural techniques.
