## REVIEW OF NIGHT AND DAY GUITAR JAZZ TABS

- I've been rereading this book for the past 20 years. It is one of my favorites...as are all of the books in the Earth's Children series.
- I read this entire series years ago and loved it. I travel a lot in my car for work and decided to get some audio books to pass the time. Checked this one out of the library because it is so long and I am hooked. Just ordered the forth book in the series and cannot wait for it to arrive. This was an awesome book the second time around, actually better than the first read. The reader, Sandra Burr is excellent and I hated for it to end. Ayla is my hero!!
