### **REVIEW OF BMW 750I S**

- Another Little Critter Book, and just as enjoyable as the other ones. Little Readers will be able to relate to Little Critter, who tries so very hard to do it all right, but seems to forget something all the time. The story is funny and entertaining. Kids will get the message that it is okay to sometimes forget something; it can happen to anyone. A great bedtime story or anytime story for small children. Fun read.

- Traumnovelle is the book on which the fantastic movie Eyes Wide Shut is based. It is written as early as in 1926, and it does not take place in New York but in Vienna. A VERY beautifully written short story which is much more a poetic dream journey than an erotic story. Very interesting book!
