REVIEW OF HARGA SATUAN PEKERJAAN KACA OMJOKO COM

- I read the review on this book in People Magazine and finished it in three days. It was a very well researched book and a real tribute to the Author's family. The whole family has a gifting in the written word, Tink, Robin, & Julie. The book was an easy read. I recommend you check it out.
- Newtype and Animage are my favorite anime mags, and now I get to read the amazing FSS manga that appeared in them! For years I stared at the pictures and tried to imagine what they were saying to each other...well, not any more. Now I get to read about the adventures of the Headliners, Fatimas, and the Emperor, all in English! This is a must for any manga collector to have, serious or not! You won't regret it!
