REVIEW OF TREBALL DE RECERCA ANNA PUJOL AULA

- I enjoyed this book alot. Though this isn't my favourite Linda Chaikin book I still liked it alot. This book is about love for God's Word and between two lovers

who risked their lives to translate the New Testament into English when it was forbidden. Justin Brice and Regina Redford are the main fiction characters along with non-fiction character William Tyndale. Justin is sent to Rome to ease the conscience of his sin-tormented father. While in Rome Justin discovers in his daily monk rituals that this is not the way to seek forgiveness for his sins and also dares to translate the Bible from Latin into English. He escapes Rome with his life and makes back to England...to Regina who is promised to a different man. The romance is not the main focus of the story but you will get a deeper appreciation for the people who had risked their lives to bring God's light into the dark world. Admidst betrayal, danger God remains the only true light. I

suggest that you read this book so that you will know how it was like to live through that era. I will read it again because it is very well-worth reading more than once.

- The Stranger by Albert Camus is an interesting novel about Monsieur Meursault, an ordinary man who goes

through his mother's death, killing a man, and going to prison. I think this novel was fast-paced and easy to read, but it was not very exciting. I would not recommend reading The Stranger. I did not find it exhilarating. However, Albert Camus developed his characters very well. Overall, this book was boring, and I do not suggest reading it.
