## **REVIEW OF GMAT READING COMPREHENSION MANHATTAN PREP GMAT STRATEGY GUIDES**

- I am a lover of good writing. When I watch a great movie or television show I don't so much praise the performers as the writing. I have read most of Mr Wilson's works and frankly this book really knocked me over. I don't know how it could be any better. Truly poetic. I finished it at work. Stood up pumped my fist and said YESSSS!

- Excellent book of short stories. Here's the deal as I understand it. This title was the English name for the book, "Nine Stories" because of the popularity of the Esme story in England. Either book is the same. Classic Salinger. His last long story published only in the New Yorker, is available on the New Yorker DVD collection which is very cheap online these days. Google it. Ciao.
