REVIEW OF FORMAT EVALUASI PENGADAAN LANGSUNG JASA KONSULTANSI

- A book that has been around since 1940 zooms to bestseller status in a heartbeat when recommended by Oprah. Usually I am skeptical about Oprah's picks, but in this case I have to agree with her. It is about time this book receive recognition for its portrayal of triumph against all odds. I would especially recommend this book for young women readers, although as a male, I also enjoyed it.
- If you are already among the Kathleen Taylor fans, you'll find MOURNING SHIFT even better than her other books. If you're not and you read this one, it'll make you want to go back and read the others. All of her marvelous characters are here. Add the excitement of a Halloween arrival of an attractive stripper and it's one big bang.....with a little woo woo thrown in. Ms. Taylor captures perfectly the imperfect, which is just about everyone in Delphi, South Dakota. Her plots have always been well done and her endings have always left readers with dilemmas. MOURNING

SHIFT, however, goes beyond the other books. The plot is thrilling and the ending is superb. Kathleen Taylor continues to write some of the most exciting, thoughtful, and downright funny books one could ever want to read. MOURNING SHIFT is a 10 on a scale of 1 to 5.
