ESSENTIALS MOHIT

- When Carlo Giovessi executes a man for stealing drugs from him, a witness unwittingly puts her life on the line. Pianist Lauren Brownly hears her own death ordered when mob boss Carlo realizes she hasn't left the nightclub. She reports the killing to the Denver PD believes she's Carlo's mistress. Now the FBI steps into the case, planning to keep Lauren safe until she can testify. Agent Sam Grey Wolf Rowllins is assigned to the case. Sam sets aside his previous investigation into an insider turned rogue to assume care of Lauren. The Bureau has been investigating Carlo for years, but every time they got close, something went wrong from tapered evidence to dead witnesses. Extreme coincidence suggests the truth to lie with a corrupt agent. When a plane crash-lands Sam and Lauren miles from civilization and obviously pursued by FBI agents gone bad, they must hike through knee-deep snow and blizzard conditions to reach safety. As they learn to rely upon and trust one another, the ember of attraction lead to a fiery passion even the deepest snows can't drown. Sam's antagonism and aloofness toward Lauren, unfairly earned, can initially alienate the reader, but the feelings his ill humor conceal will sway even the hardest of hearts in THE WITNESS. This richly textured plot keeps the pages turning quickly, as Lauren and Sam's traitorous emotions and survival skills keep them alive. The vividly realized characterizations, including fascinating secondary characterizations, give THE WITNESS a fascinating depth. Further, Lauren's path to learning independence as she redefines her immediate past and her immediate future leads to terrific character growth.
