In general, our evaluation of *Quantity Surveying Excel Formulas For Windows* has given us with a rich understanding of the story and its literary possibility. We highly advise this book to viewers that are looking for a thought-provoking and mentally impactful read.

## REVIEW OF QUANTITY SURVEYING EXCEL FORMULAS FOR WINDOWS

- This book is perfect for the life-long Lewis fan, or the new Christian. It seems more like a gift book that you place on the shelf in a public place, and do your "hammer and tongs" stuff with the paperbacks. The only problem I have with this book is the order of the contents. [The book does not have a rhyme or reason to the selection. There is a precise internal logic to So get the book, and then read it in this order: 1. Start with *THE SCREWTAPE LETTERS*. This gives you a broad overview to Lewis's intellectual leitmotifs, his voice, and his typically wicked British sense of humor. 2. The next book is *ABOLITION OF MAN*, which is a preface to Mere

Christianity, and makes Lewis's case for moral absolutes. It is a mere three chapters long, but, like a good German chocolate cake, it is dense and filling. 3. *MERE CHRISTIANITY* is probably Lewis's second most famous book, and continues his discussion of moral absolutes, and the "mere" or "essential" elements of Christianity. 4. *PROBLEM OF PAIN* is a smaller theological work and is the standard Christian work on dealing with this trick and sensitive issue. 5. *MIRACLES* is a thicker and more esoteric books dealing with another "tricky" issue of Christianity. If you find this book too thick, then skip over it and come back to it later. 6. After reading *THE GREAT DIVORCE* for the first time, I was surprised that more dictatorships have not banned this book. It is so true it hurts. It is about the divorce from God and life in Purgatory, and has nothing to do with marriage counseling. 7. *A GRIEF OBSERVED* seems a bit out of place in this collection. I think it was included as a tie-in to the film "Shadowlands." The book makes more sense when you actually are grieving than as a detached philosophical work. If you loved what you have read so far, then I suggested the following books for you next reading binge: \* *WEIGHT OF GLORY*, which is a selection of scholastic papers, including his essay "Learning in Wartime." \* *GOD IN THE DOCK*, which is British for God in the Docket, God Takes the Stand, or God on Trial. It is also a selection of many of his cultural essays, so it has a "fruit salad" or smorgasbord taste to it. \* *CHRISTIAN REELECTIONS* is the last of his collected papers dealing with various issues. His autobiography *SURPRISED BY JOY* was helpful, and should be read before *PILGRIMS REGRESS*. And after reading all of this, you can finally move on to the *NARNIA* books and the *SPACE*

TRILOGY.

- I forget how much I enjoy reading Lewis when I haven't read anything by him in a while. I hadn't read this book before but decided to give it a try after reading a friend's review last year, and I'm so glad that I did! Lewis takes so many of the truths of Christianity and

explains them in practical ways. His illustrations and examples are wonderful, really helping his readers to understand what he is talking about. While this book is geared more toward non-Christians, there is a lot that Christians can get from reading this book. In case you can't tell, I really enjoyed this book!
