REVIEW OF PREDICTING CUSTOMER CHURN IN BANKING INDUSTRY USING NEURAL

• If you're a Pratchett fan and haven't read this book, shame on you. It is undoubtedly one of my favorites, and quite probably the best one he's ever written. This is a great satire and a wonderful place to start your journey into the Discworld, if you haven't already. The humor isn't quite as blatant as in some of the other books, but that makes it even better. Some of the best one-liners of the whole series come from this book. Check out the l-space web for the highlights.
