## REVIEW OF INTERACTIONS 2 LISTENING SPEAKING

- I was forced to read this drivel for a graduate photo program. God I wanted to kill myself and quit photography by the time I was finished with it.If you want to read great photographic essays try Bill Jay's work. Amazing, insightful and filled with a sense of humor.

- I don't know why I'm the third person to review this book, since it's one of the best books I've ever read. It is definitely a must read, and a must have if you are a book collector. The book starts off and it's hilarious. I found myself crying at how funny it was. It was also shocking and heart wrenching. It's either the best book I've ever read or second in line...Haven't figured out which one yet, but if you're going to read a Donald Goines book...Read this one, and you can't help but read the others...5/5
