#### **REVIEW OF CLINICIANS GUIDE TO LABORATORY MEDICINE POCKET**

- Love the classics. After seeing the movie based on this novel, decided to read the source. Good book....there are a series of them and most are free. Edgar Rice Burroughs is an excellent science fiction writer.
- suspense,danger,drama,adventure,romance. these are only a few words that can describe this wonderful book. Also you will learn the meaning of true love and true friendship. once you start reading this book you'll never be able to stop. The ending? Well you'll just have to read and see.
