- Matilda has a horrible life. Even though her family thinks that she has the same value as dirt, she stays gentle, kind, and smart. When Matilda finally starts school, she feels like a bubble of joy. Unfortunately, her bubble got popped when she meets Ms. Trenchbull, her horrible principal, who abuses the students at her school. At school, Matilda finds out that she's incredibly smart. She makes many friends and has daring adventures, which all have to do with Ms. Truncbull. Soon she has her most exciting adventure with a very special, very unique power. If you want to find out more about Matilda's powers and her adventure, read the book "Matilda by Roald Dahl. If you thought the movie's good, the book is even better! This is because it is so suspenseful that I couldn't put it down, and it made me laugh. It makes me thankful for my family, which is much nicer than Matilda's is. I recommend this book for people who love to read.
