REVIEW OF OWNERS MANUAL GUIDE

- Dave Barry who can make a prison lifer laugh until his internal organs burst, meaning that he can make someone laugh about...anything. This is the first Dave Barry book I have read and it has put me on a diet of his humor for a long time. His essays/columns are the perfect length for any subject. I admit

that I have had quite a few natural laughing highs since reading his words. I highly suggest this book for anyone.

- Twelve years after publishing "Code of the Lifemaker", Hogan followed the steps of that success with this sequel. The main characters are back (with Karl Zambendorf at the top of all of them) and also the background is set on Titan. Being asked to write this sequel by his publisher, Hogan responded that he did not want to as he had effectively finished the story on "Code of the Lifemaker". Nevertheless, the publisher insisted and Hogan intelligently found a thread from the first novel to follow an adventure which has weight enough to carry on the story. Although the charm and originality of the initial situation has faded, Hogan compensates with a fast-paced adventure and a satisfactory conclusion to what can be labelled as the series of "Zambendorf on Titan". Rating=3
