David Tremayne's acclaimed biography of Jochen Rindt was first published in 2010 and now, to honor the 50th anniversary of the Austrian's death, Evro is reviving the book in paperback form. Rindt was widely acknowledged as the fastest man in Formula 1 by the time he reached his peak in 1970, when he tragically lost his life at Monza in Italy, four races before the end of the season.

Such was his pre-eminence that year that no rival could overcome his points total and he became the sport's only posthumous World Champion. As his close friend Jackie Stewart observed in this book's foreword, "David Tremayne is a wonderful writer who has done Jochen great justice in the words that he has chosen to depict a remarkable man and a remarkable career."

The heart-rending story of a child 'Tampa' refugee who grew up to become a Fulbright scholar, highlighting the plight and potential of refugees everywhere. When the Taliban were at the height of their power in 2001, Abbas Nazari's parents were faced with a choice: stay and face persecution in their homeland, or seek security for their young children elsewhere. The family's desperate search for safety took them

on a harrowing journey from the mountains of Afghanistan to a small fishing boat in the Indian Ocean, crammed with more than 400 other asylum seekers. When their boat started to sink, they were mercifully saved by a cargo ship, the Tampa. However, one of the largest maritime rescues in modern history quickly turned into an international stand-off, as Australia closed its doors to these asylum seekers. The Tampa had waded into the middle of Australia's national election, sparking their hardline policy of offshore detention. While many of those rescued by the Tampa were the first inmates sent to the island of Nauru, Abbas and his family were some of the lucky few to be resettled in New Zealand. Twenty years after the Tampa affair, Abbas tells

his amazing story, from living under Taliban rule, to spending a terrifying month at sea, to building a new life at the bottom of the world. A powerful and inspiring story for our times, After the Tampa celebrates the importance of never letting go of what drives the human spirit: hope.

Backstage at The Price Is Right is a jaw-dropping, firsthand account of the often salacious and always fascinating behind-the-scenes drama surrounding the #1

game show in television history. As the groundbreaking first black model to join the legendary Barker's Beauties, Kathleen Bradley has written a humorous, entertaining, yet gritty revelation of what really happened before the familiar theme music filled the air and Rod Roddy announced Bob Barker's name over the roaring audience and called out "Come on down " to the names of the first four lucky contestants to bid. At last, after 17 years on the air, the black/minority television audience had a role model, someone to relate to as they sat and watched their favorite game show. And America's male population had a more exotic Beauty on which to feast their eyes and feed their fantasies. Every weekday for 10 years, over 16 million viewers watched the

glamorous model/hostess Kathleen Bradley on The Price Is Right. Women envied her, girls aspired to be her, and Bradley was living her dream, but it all came at a Price. As a pioneer in television game show history, Bradley takes readers on a first-class tour from the parking lot at CBS Television Studio City in Hollywood, through the artists' entrance, to the production meetings, rehearsals, wardrobe, and straight to the "lights, camera, and action " She reveals the cat fights, the betrayals, dirty little secrets, the depositions and law suits, the ugly truth, and the reality of what really went on behind the scenes before and after the cameras rolled. Often heartwarming, Ms. Bradley presents an expose of the hypocrisy, sexism, and racism behind the scenes. This is

Kathleen's story, leading from the excitement and jubilation of embarking upon "The Golden Road," to a rude awakening—an unjustifiable dismissal from her dream job after ten years of devoted service. This is not a Bob Barker-bashing book, but rather an enlightening journey of a woman's introduction to Hollywood, her groundbreaking induction into an exclusive and highly coveted club: the Barker's Beauties, and her bright-eyed awe at meeting a television icon. Unfortunately, the dark side of this "club" and the power that its leader possessed led to the inevitable question: why did Bob Barker treat four-legged animals better than many of his two-legged employees?"

Wireless World Harper Collins

A riveting investigation of the brutal murders of two Dartmouth professors -- a book that, like *In Cold Blood*, reveals the chilling reality behind a murder that captivated the nation. On a cold night in January 2001, the idyllic community of Dartmouth College was shattered by the discovery that two of its most beloved professors had been hacked to death in their own home. Investigators searched helplessly for clues linking the victims, Half and Susanne Zantop, to their murderer or murderers. A few weeks later, across the river, in the town of Chelsea, Vermont, police cars were spotted in front of the house of high school senior Robert Tulloch. The police had come to question Tulloch and his best friend, Jim Parker. Soon, the town discovered the incomprehensible reality

that Tulloch and Parker, two of Chelsea's brightest and most popular sons, were now fugitives, wanted for the murders of Half and Susanne Zantop. Authors Mitchell Zuckoff and Dick Lehr provide a vivid explication of a murder that captivated the nation, as well as dramatic revelations about the forces that turned two popular teenagers into killers. Judgement Ridge conveys a deep appreciation for the lives (and the devastating loss) of Half and Susanne Zantop, while also providing a clear portrait of the killers, their families, and their community—and, perhaps, a warning to any parent about what evil may lurk in the hearts of boys.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes

Between Parker's 1961 debut and his return in the late 1990s, the whole world of crime changed. Now fake IDs and credit cards had to be purchased from specialists; increasingly sophisticated policing made escape and evasion tougher; and, worst of all, money had gone digital—the days of cash-stuffed payroll trucks were long gone. But cash isn't everything: Flashfire and Firebreak find Parker going after, respectively, a fortune in jewels and a collection of priceless paintings. In Flashfire, Parker's in West Palm Beach, competing with a crew that has an unhealthy love of

explosions. When things go sour, Parker finds himself shot and trapped—and forced to rely on a civilian to survive. Firebreak takes Parker to a palatial Montana "hunting lodge" where a dot-com millionaire hides a gallery of stolen old masters—which will fetch Parker a pretty penny if his team can just get it past the mansion's tight security. The forests of Montana are an inhospitable place for a heister when well-laid plans fall apart, but no matter how untamed the wilderness, Parker's guaranteed to be the most dangerous predator around.

Between 1997 and 2014, Tom Kristensen won the world's toughest motor race, the

Le Mans 24 Hours, a record nine times and finished on the podium on five more occasions. Every time his car made it to the finish, in fact, he was in the top three. It is no wonder that this great sports car driver is known as 'Mr Le Mans' to motorsport fans around the world. Now retired from racing, Kristensen shares in this book his deepest personal reflections and insights from inside and outside the cockpit. He looks back on more than 30 years spent striving for perfection in racing and tells of the battles and setbacks that sometimes seemed impossible to overcome, including a terrible accident in 2007. Climbing the racing ladder, from karting into Formula 3 single-seaters, including championship titles in Germany (1991) and Japan (1993), then

Formula 3000 and a Formula 1 testing role with Tyrrell. Winning as an underdog on his first visit to Le Mans, in 1997 driving an elderly Joest-run privateer Porsche in which he impressed all onlookers with a night-time charge to vanquish Porsche's factory-entered favourite. His second Le Mans victory came in 2000 on his maiden drive for Audi in the R8, a car that was to become all-conquering. Kristensen won the next five editions of Le Mans, four times with Audi and once with Bentley (in 2003), his last victory in this sequence taking him past Jacky Ickx's previous record at the Circuit de la Sarthe. His eighth win came in one of the all-time classic contests at Le Mans, in 2008, a rollercoaster of a race in which his ageing diesel-powered Audi was never expected to beat the

fancied works Peugeots. One more victory with Audi in 2013 sealed his reputation as a true legend of Le Mans. His story includes exploits at other racetracks all over the world, none more prolific than Sebring, home of America's long-established classic endurance race that Kristensen won six times. Personal reflections together with contributions from notable observers -- including English journalists Gary Watkins and Charles Bradley -- complete a truly rounded portrait of the man and his achievements. Voted 'Sports Book of the Year' when originally published in Kristensen's native Denmark, this thoughtful memoir is now available in English.

REVIEW OF PARKERS GUIDE MAZDA 5

- One of the best books I've ever read and it was in great shape. Would purchase from this person again.
- I found it most disappointing to learn that Morgenstern is not real, but not for the reason most people did. Rather than allowing the magic of a magnificently invented story to be destroyed, I merely wish that there was such a copy containing flowery descriptions of Buttercup's attire. I would liked to have gleaned from it the information for my own garb for use in the SCA. The bald

princess had to have been the most shocking and cleverly orchestrated difference between the movie and the book. Long live Goldman!
