Bear in mind, reviewing evaluations can help you make educated choices regarding what to read following and can subject you to new authors and styles you may not have actually considered previously.

REVIEW OF DO YOU RUSSELL SIMMONS PDF

- Very different than the Rebus novels. Fast paced and credible. Author can be very diverse, surprising he hasn't been all these years.
- Let me tell you about Lorine Niedecker. She did not apologize for being born. This volume--far exceeding the much derided previous collected "From This Condensery"--represents the very best of Twentieth Century American poetry, let there be no doubt. More than just poems that echo Dickinson, Zukovsky, Williams, and who else, "Collected Works" will now surely stand as one of the cornerstones of American poetry, thanks to the hard work of editor Jenny Penberthy. The best of these poems--"Darwin" and "Paen to Place", among others--are beautiful distillations of the real. And other pieces, such as the radio plays, show great, surreal humor. Lorine from Ft. Atkinson is one the best.
