REVIEW OF GUN CONTROL SPEECH OUTLINE

- My mother always told me I should learn how to cook. Guess what, mom? I finally have - thanks to Sandra Lee Semi-Homemade. The recipes are not a lot of work and using name brand products simplifies it even more. It is practically impossible to screw up. It would be nice if more of the recipes were low fat, like the dijon chicken and mushrooms, but overall YUM!! I did use low fat cream cheese and sour cream in the morning glory fondue and it was still delish. Thanks, Sandra!

- I'm shocked to find out my method of finding and remembering this book is so similar to so many others that have created reviews. In third grade, my elementary school library was selling some of the books in the library for real cheap..this is the one i bought because I was drawn to the cover. As an avid childhood reader, I started reading this book but had difficulty understanding it. My dad actually took it away from me because he said it was too old for me (I was 8). As I said, I was an avid childhood reader - I read hundreds of books as a child, but this was one I knew I had to save for the day I could comprehend it. As it turns out, I went into the basement just today to help my mom bring up Christmas decorations. I found this book, and something drew me to it. I've been trying to get back into reading for a while. I started reading this book (I barely read anymore, I haven't read a book in over a year) and I completely fell in love. Cleo became my hero in a matter of hours. After just finishing this book, I'm shellshocked. I'm definitely going to start reading again, this book is unbelievable and has inspired me in ways I might never fully understand. Cleo's struggle to find out who she is, her character transformation, the amount of strength she endeavors upon her journey to the island..it's so well written and relatable. Truly a treasure in time, I feel honored to have found this book.
