REVIEW OF NEW HOLLAND REPAIR MANUAL

- have spent over 2 hours filling out how I rate products that I bought through the last year or so and then you have to have 20 more words in order for me to submit my rating. This is it.
- I've always wanted to read this book, and when I bought my Kindle, this was the first book I downloaded. It's not a bad read, but I was surprised at how many typos there are. Seems that they can't decide how to spell Pennsylvania (sometimes Pennsylvania, sometimes Pennsilvinia), and there are misplaced punctuation marks that make some of the text just nonsense. A bit disappointing, but then, it's free.
