So what are you waiting on? Start your Why David Sometimes Wins Leadership Strategy And The downloading trip today and experience all the benefits and convenience that the digital world of publications has to supply!

REVIEW OF WHY DAVID SOMETIMES WINS LEADERSHIP STRATEGY AND THE

- This book provides a fascinating look into the lives of middle-class Parsis living in Bombay. It's also about old age, and about the difficulties a family has in taking care of an old man (Nariman) with a broken ankle suffering from Parkinson's. The book does not hold back on the details of Nariman's illness. It's also about religion in India and the narrow mindedness of certain sects. It's a difficult book, not for the squeamish, particularly at the beginning and in discussing the illness of Nariman. I wouldn't call it a literary masterpiece, and I had issues with some of the random events towards the end of the book (I won't go into details for fear of spoilers). I felt it trailed off the final third of the book as the author tried to bring everything to a close and distanced himself from the writing. But you feel very close to the family by the end - it's very engaging and interesting to read. You also get to learn all about Zoroastrianism (which was all new to me), which is a fascinating religion.

- I realize that there will be a lot of interest for this book, and necessarily it is unlikely to live up to the potential. True fans know how much better it could be. That said, Raymond is one of the three or four essential illustrators of our time and this is the best book out there on him. It could have been better but until another one comes out, this is critical to own for the artist, illustrator and art historian (not to mention the fan).
