Seasons Ebb Away. I am a retired woman living in Tennessee. This poem is dedicated to the ever changing seasons in my area. All

REVIEW OF POETRY PLEASE THE SEASONS

- I love this book! I highly recommend this book for those wanting beautiful skin. I have always had problem skin, but for the first time my skin is blemish free and soft - thanks to a lot of the advice in this book. There are so many products out there, that before buying this book, I was a sucker for all of them. But this book goes through all the products and in an

understandable way - explains the benefits and draw backs of each. Before spending countless dollars on false promises buy this book - it's worth the money!

- Very good book if

already doing yoga. It would have been nice if it had mentioned that. I have never done yoga so don't know if it is going to help or not. I will give it a try if my 60+ body can get to moving.
