Born an alcoholic and drunk at 5, I battled the symptoms of my disease my whole life. I was viciously attacked by a predator at 10, then went on to win my battle over booze, drugs and an obsession for women, to become one of radio's most successful stories. Tops in morning radio in Houston and Miami, I ultimately joined an old friend and bought a radio station in Santa Fe, NM, taking the station from "Worst to First" and leaving with over a million in my pocket. Sober and clean. I wrote this book to give hope to those "functioning" alcoholics who may see a better way to find success in life, business and with their families. It is a HOW TO book in the sense that throughout the writing, I lead the way with what you have to do next. The key in this book is about the reader's ability to "reach deep" into his/her psyche to pull up the honesty it takes to win the battle over alcohol. More than anything, honesty is the key.

REVIEW OF TOUR DE LOISAN ET DES ECRINS PARC NATIONAL DES ECRINS

- I have liked the character Jane Jeffrey and her pal and neighbor Shelley. And this is an easy read with the comfort of known characters growing older and progressing as individual women who still find a home and family to be a good center. The mystery here is not such a big suspenseful draw, just the involvement of the two friends in a possible money-making scheme, ring led by Shelley, with Jane along for the ride, and maybe the profit. The plot revolves

around this would-be job and the unusual, almost all woman crew of renovators who are already on the payroll. But the vandalism of the site and the one murder take a gentle route to solution. This is no great puzzler, much less suspenseful horror. Rather domestic in its scope. Jane's interaction with her children and their maturation, her comfortable relationship with detective Mel, her entry into the real computer age and her developing novel, make for a fast and easy diversion. This is not the best of Churchill. In fact, mystery is just coincidental to the plot, it seems. But I do think it is good enough to divert the mind from the frustrations of the world for a while.

- Man did I love this book. To me it was one of the best Kenyon books yet, and that's saying a lot since I love her books. I am a true dark hunter fan and I was wondering if I would like a book about the Werewhispers, but man I fell in love with Van from the get go. "Who wouldn't" He is every thing a woman wants in a man. No wonder Bride was

drooling on the floor, when he showered her with attention, I would be. I would like to thank Kenyon for her work of art. She truly has a wonderful talent. Bride and Van Touched my heart. And by the end of the book, I felt like I was apart of there story. And it was nice seeing a different side of Ash: "COOL". I know that by the time Ash get his on book which incase any of you didn't know; it is a 2 book series. The first book is about his past and the second book is about the here and now. I can't wait (2007) is a long time. But I always wonder who is Ash's future herion. HE is very close to Amanda and Keinya's Baby which you will notice in this book. The baby also has some very special talents. Is he close to her because he just loves children or does this child hold a special place in his heart for the future. He talk about all the special thing she will do in her life and a how wonderful she is and anytime she crys and he is around he shoots off to comfort her. Anyways that is way off the point of this book. This is a great book and a keeperspend 7 bucks on it; heck spend 15 bucks. It's worth the money.
