And if you ever need help finding the perfect publication, our educated staff is here to supply personalized suggestions.

REVIEW OF BOEING 737 TECHNICAL GUIDE CHRIS BRADY EGGCUBELUTIONS

- This is an excellent book, well written with a great plot line. The two cops seek justice and they get it any way they can. The book is extremely witty, funny and gruesome by turns. It's well worth reading and you'll learn some things too.
- Mowat excels at stories from the mind and experience of youth. This story has bite and humor. It's a real dog treat.
