REVIEW OF GLENCOE HEALTH STUDENT WORKBOOK ANSWER KEY

- I think Shane was an excellent book. I especially like Shane. He puts so much character into this

book. I mean he's a farmer a gunfighter and a look out for the Starrets and other homesteaders. I think Shane was a true hero when he shot Wilson and the mean old land owner. I recommend that anyone should read this book.

- reveals much about FDR's decision during war time than previously printed. Also how news papers and news organizations use their connections for swaying peoples opinions...and how these pinions are used.
