REVIEW OF ACT71E PDF PDF

- Read Nappily! See if you can relate to going from hair down to there to no hair anywhere! I must say it is quite refreshing to hear about what really happens to one when they are left to fend for themselves without having long hair. Well-thought out and well written. This is a read for those with a discriminating taste in literature. Happy

to have read Nappily!

- For all of you who are under the illusion that this book is in Charlie's own words, you're mistaken. At the time of the so called interviews, the author was not allowed any sort of writing utensils, tape recorders, etc. The words you see are those of the authors. Same old

media hype to make a buck. The author betrayed Charlie by pretending to be his 'friend'. This is why Charlie declines so many interviews. Everybody distorts everything he has ever said. So my advice is: If you want to read the authors take on Charlie, buy it. If you want the TRUTH, don't buy it.
