*AWS Certified Solutions Architect Associate All-in-One Exam Guide, Second Edition (Exam SAA-C02)* John Wiley & Sons

Die Zertifizierung zum AWS Certified Solutions Architect Associate verschafft Ihnen einen klaren Vorteil, wenn Sie als Cloud-Spezialist arbeiten wollen. Für das neue, überarbeitete Associate-Examen ist dieses umfassende Lehrbuch eine große Hilfe. Es deckt alle relevanten Aspekte ab. Im ersten Teil lernen Sie die wichtigsten Services kennen wie Elastic Compute Cloud (EC2), Virtual Private Cloud (VPC), Route 53 und Simple Storage Service (S3), um nur einige wenige zu nennen. Manchmal scheint es für einen Anwendungsfall mehrere AWS Services zu geben. Sie erfahren, wo die feinen Unterschiede sind und wann Sie welchen Service nutzen. Der zweite Teil des Buchs enthält Best Practices und wichtige Prinzipien, sodass Sie später Systeme für die Cloud sinnvoll designen, sicher implementieren und effizient betreiben können. In jedem Kapitel gibt es am Ende eine Zusammenfassung mit den wichtigsten Inhalten für die Prüfung, außerdem beispielhafte Übungen, die Ihnen helfen, Ihr Verständnis für das Thema des Kapitels zu überprüfen, und anhand derer Sie sich ein Bild von den Prüfungsfragen machen können. Durch das Buch erhalten Sie Zugang zu einer englischsprachigen Lernumgebung mit Karteikarten, Übungsaufgaben und einigen anderen Hilfen.

## REVIEW OF ASSOCIATE SOLUTIONS ARCHITECT

- Chesterton's text is a great stand for the true rationality and beauty of Orthodoxy. In reflecting up on his own discovery of orthodoxy, he seeks to show the sanity and beauty of Christian thought when compared to contemporary philosophies. It would be difficult to tie down the work in a brief thesis, as it exists as a loose auto-biography of his thought processes coming to orthodox faith. If I could be so bold as to venture to a thesis, it is that orthodoxy is the only guarantor of sanity, beauty, and forward progress in the world. Beyond this, the text speaks for the specifics of these ideas.Chesterton's text is witty and insightful. For this reason, I suggest it most highly. More than once did I laugh heartily at his reflections upon contemporary think. Additionally, I often felt a chill as I thought, "This man has his finger on a truly good thought here." I suggest Orthodoxy to all, for it is an accessible, excellent read that will truly affirm a true vision of beauty in the world.

- There are so many reviews here. I'll be brief.I've read this book many times (though not this edition, which someone said is poorly formatted) and it's a whirlwind of provocative thought. Clever beyond what most any other writer can achieve. A defense of his faith that could almost convince the faithless, and if not, at least it will entertain them.At least read the chapter on THE PARADOXES OF CHRISTIANITY. It's a kick, and could get you hooked on Chesterton.
