#### **REVIEW OF PANE E BUGIE LA VERIT SU CI CHE MANGIAMO I PREGIUDIZI GLI INTERESSI I MITI LE PAURE**

- This book is really not useful for helping learn Hebrew as a language. It was selected for our adult Hebrew class to help with pronouncing the prayers, which it is probably useful if you ignored about half the book, which introduces, but does not explain and ultimately confuses several other concepts like finding roots in other words, gammatria, etc. Please see follow up comment to Richard Ingraham's review:[...]

- I loved this book. Brenda stresses that writing is about telling the truth and the importance of imagination. The truth she speaks of is the writer's own truth. What is seen in the imagination. And not writing what is not seen. She judges writing based on whether she believes it and encourages writers not to add descriptions that they cannot see in their imagination. She believes imagination comes from God, though I don't consider this book religious. She abhors critics who judge but don't create. An enjoyable paradox since she critiques several pieces of writing, primarily for not being honest. She encourages free, messy, journal style writing in order find one's own voice. She addresses the concept of writer's block by saying that the creative process is slow, and encourages us to slow down, remove distractions, and listen patiently. I feel very inspired and capable to write after reading this book.
