## PAPER FIITJEE

- Ronald Hutton really knows his subject, I highly recommend this book to anyone curious about Paganism. This book is a great read!
- This book explained every question I've had about how to manage Diabetes.

There is information you will never get from your own Dr. and certainly not from a nutritionist. He tells you what meds to take and what not to take and why. He tells you what to eat and not to eat, artificial sugars to use and not to use. He tells you how to save your own life.
