REVIEW OF SAT SUBJECT TEST MATH LEVEL 1

- I love reading this book near Christmas time. It was great hearing and watching the movie when i was little.

- This is the perfect book for Christmas reading. It is a short story that most of us are familiar with but may have not taken the time to actually read. I have seen versions of it on TV, movies, and this year even seen a good performance of it done in a play. This year I decided to pick up the book and devote a little bit of time to reading the story. It of course is a classic written by one of the greatest writers ever, Charles Dickens. The story has a lot of meaning and reminds us that we should be aware of how we treat others not only at Christmas time but in all we do. Ebenezer Scrooge may be in us all at one time or another but like him there is time for redemption if we allow ourselves to reflect and appreciate what we have and are willing to be giving of ourselves to others.
