REVIEW OF ELECTRONIC EFY MAGAZINES

- This is a good book if you like numbers puzzles. It contains different types of puzzles such as grids, sequences, logic and many others. They can be difficult at times; with a little patience, they can be solved.

- This has got to be the best book I have ever read in my entire life. I thought it was really different how Mary-Lynette and Ash tried to ignore the fact that they were soulmates, and it made the story much more interesting to read. Personally, I never would have guessed that it was Jeremy who had killed the girls' aunt 'cause he seemed like a really nice guy, but I guess you should never judge a book by its cover. I really wish that there was a sequel to this book 'cause I really want to find out what happens with Ash and Mary-Lynette. This is definitely the best Night World book - although they are all excellent. ~Mary
