Bear in mind, reviewing testimonials can aid you make notified decisions about what to check out next and can subject you to brand-new writers and genres you might not have thought about in the past.

## REVIEW OF PRIME TIME 1

- The first part of the book is a lot of background on the characters. It really helps to understand the rest of the book later on, but I feel as if I got jumped randomly without a clue from one character to a totally different character. The random jumping is the only beef I have about this book thus the subtraction of one star. The other four stars are for the plot and the development of the characters. East of Eden is more than a mere pleasure reading book. You can read it expecting to hear only a good story and finish feeling like you closed the door to the world. Themes aren't as dreary as they sound like: there's more than the theme of "good vs. evil" (actually I find that an almost nonexistent/unimportant theme). Steinbeck plays at the choice to be either "good or evil" and the difference or value of truth or ignorance. As a student, I think it's great to be reading a book where the theme isn't dry and overdone into another tedious assignment.

- In East of Eden, Steinbeck craftily analyzes and challenges many aspects of human nature. He expressly voices a powerful message in 'Timshel', meaning that people hold the choice over their fate and over their defeats. Steinbeck conveys this idea passionately throughout the book as he represents the story of Cain and Abel between two generations of brothers. East of Eden rejoices in the human spirit and is made to inspire one in time of trial. Since Steinbeck portrays life where one can overcome defeat, he captivates people with the ability to triumph. Through compellingly lifelike characters, he constructs the human spirit and shapes them with infinite shades of darkness and virtue. Characters such as Sam Hamilton, Cathy Ames, and Lee are deployed to depict the free and inventive soul, reclusive guilt, austerity, and the influence of religion and human power. Steinbeck not only employs the characters with superficial features, but investigates these character's souls to communicate a deeper understanding of their nature. East of Eden's portrayal of human psyche and universal philosophy is magnificently strewn and engrossing.
