We extremely recommend this book to readers who are searching for a provocative and emotionally impactful read.

REVIEW OF TOP NOTCH FUNDAMENTALS

WITH SUPER CD ROM SPLIT B UNITS 6 10 WITH WORKBOOK AND SUPER CD ROM

- A Philadelphia Catholic in King James's Court did a very good job informing the reader about the Biblical justification of some very important Catholic Traditions. However, while reading this book, aside from the informative parts, I felt as though I were reading a fairytale. To start, the whole concept that after the death of his father, Michael's mother would just pull all the children out of school to go to Kentucky seems unrealistic, especially because it is near the end of the school year. Once in Kentucky, everything seemed to work out just about perfect for Michael. When there, he managed to learn a plethora of information about the Bible and his faith, in a very short amount of time, and always, he knew it just when he needed it. Also, at the Bible Discussions, despite never having any of the books there that helped him originally, he remembered perfectly every argument the books brought up, and every book, chapter, line and verse from the Bible he sited in order to back his arguments. The response of the Fundamentalists to his proof also was somewhat too perfect for Michael. The Fundamentalists such as Luther, Jimmy, and Les appeared to have more of an amazed response to Michael's arguments, rather than to have any really strong dissensions. Had he encountered a few more problems, and a few more issues or strong objections by the Fundamentalists, it would have been more genuine. Michael just always had the answers, right when he needed them, and they were perfect, leaving almost no ground on which the Fundamentalists could stand. I think that they [the

Fundamentalists] would have been much more outraged, and not quite so passive of his contentions, especially Les. Overall, I did feel the book provided some good information about Catholic Faith and Tradition, however the actual story seemed too cliché and perfect to grab the interest of this reader.

- I felt this book was very interesting and it gave me a lot more knowledge about Catholicism. Most kids Michael's age would not have shown such an interest for their religion, so it was a little hard to believe. For the most part it was a very good book and gave many important facts.
