## REVIEW OF F Y B SC NCERT PDF

- Let me start by saying, I would NEVER have read a "classic" if Oprah did not suggest it.....but this book is WONDERFUL!! The characters are all so richly described and I read it in 1 week. It's a swift read, even though it's 600+ pages, because it's so riveting. While Samuel was my favorite character, Cathy was the girl we all love to hate. I couldn't believe her!! If you're scared of buying this book due to it's "classic" status, take it from me: IT'S FANTASTIC!!
- I decided to read this book after seeing it on a high school reading list. I must say, for me it started out very slowly, and I couldn't keep up with the seemingly endless list of characters. But it got SO much better, and I found myself unable to put it down. I think if I would have been taught it in school, I would have given it 5 stars, but I wasn't paying attention enough to witness its true beauty. Maybe I'll read it again, slower, and more

pensively!
