London Bones: Book One Createspace Independent Pub

Being the new kid at camp is never easy, especially for a bigfoot, a hyperactive jackalope, a fairy who can barely fly, and the only human boy! From Epic! Originals, Creature Campers is a funny, heartwarming series about the unlikely friendships forged at Camp Moonlight--"where being different isn't unusual...it's FUNusual!" Norm is worried about fitting in at camp. Literally. He's not just tall for a kid. He's tall even for a bigfoot. Oliver, the only human at camp, has the opposite problem: he's small enough that a strong wind might knock him over.

With the help of their new friends, Hazel (a hyperactive jackalope) and Wisp (a boy fairy who has trouble flying), they'll have to work together to earn their canoeing certification without disturbing the resident lake monster--or Barnaby Snoop, who will stop at nothing to capture Norm for his personal rare creature collection.

REVIEW OF THE SECRET LAKE A CHILDRENS MYSTERY ADVENTURE

- While I found both of these volumes to be quite good books, both from a literary and philosophical perspective, I have to say that certain comments, especially in the latter book, somewhat deteriorate it's enjoyability. The author's seemingly irrelevant comments on the evils of the Microwave, the Gulf War, Ronald Reagan, and republicans and

conservatives in general, and the god-like qualities of one of the most corrupt politicians in our nation's history (John F. Kennedy) can't help but make you feel that he has some sort of perverted (and grossly incorrect) political agenda. Nonetheless, even if he dedicated a chapter to why we should elect Steve Forbes and impeach Clinton, I would still

say that this sort of thing does not belong in books like these.

- I go back and re-read this book whenever my life seems to be in turmoil. It always gives me perspective on the things happening around me. I even underline or highlight the sayings which are most pertinent to me at that time.
