REVIEW OF CALL FROM AN ANGEL

- This is a beautiful story. 1936 was a bit before its age. For a female Irish writer to write a book that even hints at a lesbianism was probably beyond the ability of the Irish Catholic establishment to deal with in that era. However, that is such a minor part of the novel, that it is really mistitled with this new title "Talk of Angels." Discussion about the sexual orientation of a minor character greatly distorts the stark beauty of the characters, Spain, and the inner story which O'Brien tells so well. I understand that the new title replaces the originally published title of "Mary Lavelle." But the angel passage and the lesbian angle are

so minor, that I would probably opt for something associated with the climax like "Spanish Love Dance." The strength of this work is the exploration of the inner characters. The main character of Mary Lavelle, her beauty, her vulnerability, and the options between uncertain romance and unromantic certainty. We root for Mary to make love a romantic choice rather than simply an economic security issue as so many women over the last centuries have been forced to make. The characters of the father and her lover are also well drawn and filled with their own special quests. As important as any of the characters is Spain itself. How lovingly is it described, more alluring than a travel trailer or vacation brochure. The society of the other nannies with their squabbling creates a strong reality in which we can see these women operate. The ending left me wanting more in the story. I wanted to know what happened after her return to Ireland. Perhaps that is what a great novel does, leaves you so connected to the characters that they last with you long after the book ends. I believe this book will connect with romantics of both genders, simply because the writing is so fine.

- Things I Liked:-The prose style. The book seemed to create inside jokes with itself. It was funny. I liked it.-The dialogue. Sometimes the characters seemed to talk at each other instead of to each other. It was funny. I liked it.-Flashbacks/backstory. Always seemed 'well done,' 'transparent.' I liked it.-The main character was hopelessly in love with someone who, for the most part, didn't love him in the same way back. I liked it.-The main character was male, the author is female. This is a stupid comment, but I liked it. Things I Didn't

Like:-The ending.
