REVIEW OF QUIZ PREHOSPITAL EMERGENCY

CARE 9TH EDITION

- I got this for my mom who is interested in learning cell biology. Its only 1 or 2 editions old, and about 99 dollars cheaper.
- I normally have little faith in first time authors, but Willig wowed me. Her prose is fluid and effortless, her narrative amusing, her characters actually likeable and believable. Though it's more for the romance crowd than a dark fiction reader, no one should pass up this wonderful novel. I hear there's a sequel, and I advise EVERYONE to read this and its successor. Good Work, Ms. Willig!
