REVIEW OF NEW GENERATION ACCOUNTING GRADE 11 TEACHERS GUIDE

- I enjoyed the book because she loves to read, like me. She is funny and sounds like a loyal friend. I reccomened it to all readers, big and small to read it. Just because you are a grown up does not mean that you have to skip reading it! Thanks
- This was the first Kat Martin book I had ever read. My mother in law bought this book and a Lisa Kleypa's book, Lady Sophia's Lover at the same time. She read the Kleypas book while I read Kat Martin's book, and then we switched. This books was great. Prior to this, I was never into romance books, and especially not historical romance. Heaving bosoms were not my thing. Give me a good mystery or some true crime. But after I read this book, I was hooked. I devour every Kat Martin book I can get my hands on. My mother in law and I like to go to thrift stores all the time, and I usually manage to get a ton of books for very little money, and I have found tons of Kat Martin books for about 50 cents a piece. Can't beat that. This one is totally worth the regular price though. Grab it and enjoy.
