REVIEW OF RABBIT PROOF FENCE OXFORD BOOKWORMS LIBRARY

- At a time when confusion seems to reign, Michele Borba's book is a reassuring tool that helps to keep our family grounded. I refer to it often and my husband and I use it as a conversation builder with our four children. This book was recommended to me by a fellow physician, and I have chosen to give copies of this book as gifts. Whether a new parent or a seasoned one, this book should be in every family's home.
- This book is a must read for every parent. We need to bring up our children to be morally responsible citizens. Each chapter shares ideas and simple activities on how to plant the seeds to produce people you would want to be in charge of running the world. It also reaffirms that as a parent you have the most important role in shaping your child. As a counselor, teacher and most importantly parent to three children, I have recommended this book to both family members and clients alike!
