REVIEW OF ENGINEERING SCIENCE N3 QUESTION PAPERS N MEMO

- I received this "used" book and it was like new. I have been enjoying- it is a great book to help a novice Shakespeare reader to understand.
- This book has very little to do with mediumship! At best it's a general overview of all things psychic. There are no instructions or exercises. Most of the chapters are on unrelated topics, even the chapters on mediumship aren't actually about mediumship and instead focus on why you'd want to become a medium, why you'll want to work hard as a medium, and ways to dress as a medium.
