## **REVIEW OF HERZBERG S TWO FACTOR THEORY OF JOB SATISFACTION AN**

- I put on seminar's for high school seniors as a way to give back. I believe that some of what Michael has in his book is important enough to share in my next seminar. It boils down many of the concepts of success and puts actionable steps behind theory.
- I have to admit, I do not like Mark Twain. I wanted to really get through this book, and I just couldn't. Not my writing style. I did not like anything about this. Disappointed. On to the next author.
